

Help, ayúdame

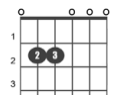

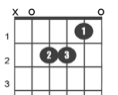

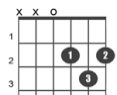

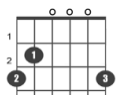

Solo en mi cuarto en un rincón, apurando un vaso y una ilusión

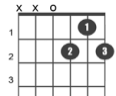

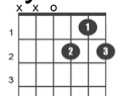

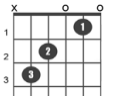

Cuantas horas me paso sin nada mas, que recordando su forma de amar

Somos amigos desde niñez, y por eso te pido ayúdame

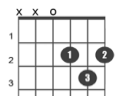

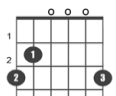

Esta noche contigo voy a salir, rey de este mundo me quiero sentir

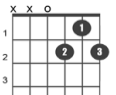

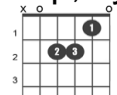

He de olvidarme de aquel fracaso, de aquel fracaso

ESTRIBILLO

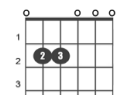

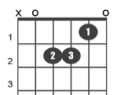

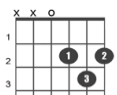

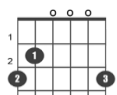

Help, ayúdame, en tu amistad he puesto toda mi fe

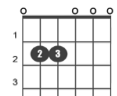

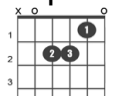

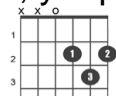

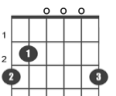

Help, ayúdame, y tiendeme la mano de un hermano

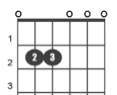

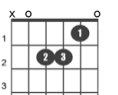

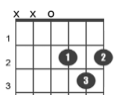

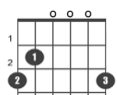

REPETIR EL ESTRIBILLO

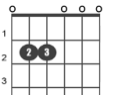

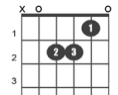

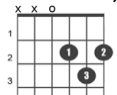

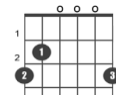

Supo reírse de mi amor, yo que tanto la quise y se burló

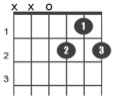

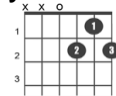

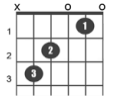

Ya pase días tristes y ahora cambie, tu compañía me hará mucho bien

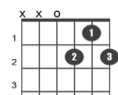

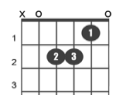

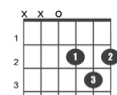

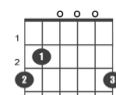

Somos amigos desde niñez, y por eso te pido ayúdame

Esta noche contigo voy a salir, rey de este mundo me quiero sentir

Quiero olvidarme de aquel fracaso, de aquel fracaso

La la la la la, la la la la la

REPETIR 4 VECES ESTA ÚLTIMA
