

Insurrección

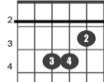

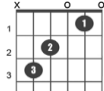

¿Dónde estabas entonces

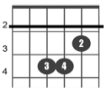

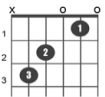

cuando tanto te necesité?

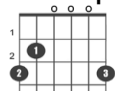

Nadie es mejor que nadie,

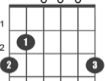

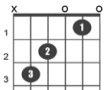

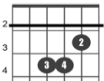

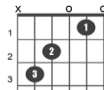

pero tú creíste vencer

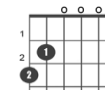

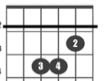

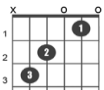

Si lloré ante tu puerta,

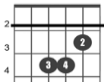

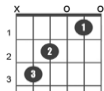

de nada sirvió

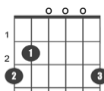

Barras de bar, vertederos de amor

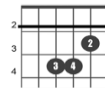

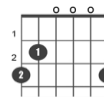

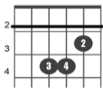

Os enseñé mi trocito peor

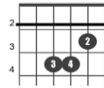

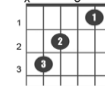

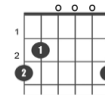

Retales de mi vida,

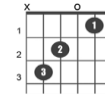

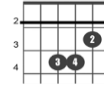

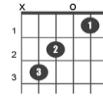

fotos a contraluz

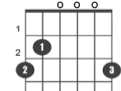

Me siento hoy como un halcón

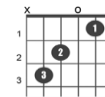

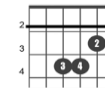

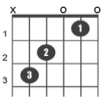

Herido por las flechas de la incertidumbre,

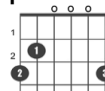

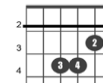

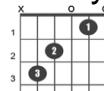

Me corto el pelo una y otra vez

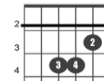

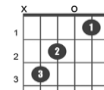

Me quiero defender

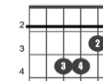

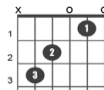

Dame mi alma y déjame en paz

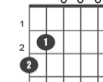

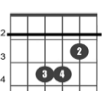

Quiero intentar no volver a caer

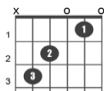

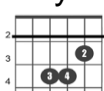

Pequeñas tretas

Para continuar en la brecha

Me siento hoy como un halcón

Llamado a las filas de la insurrección
