

# No dudaría

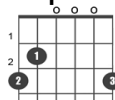

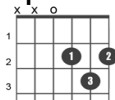

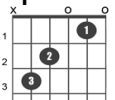

Si pudiera olvidar todo aquello que fui, si pudiera borrar todo aquello que vi

No dudaría, no dudaría en volver a reír

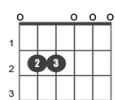

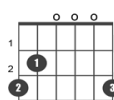

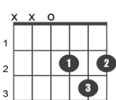

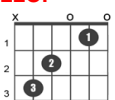

Si pudiera explicar, las vidas que quité, si pudiera quemar las armas que use

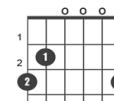

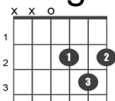

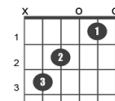

No dudaría, no dudaría en volver a reír

**ESTRIBILLO:**

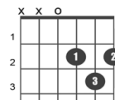

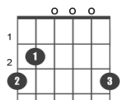

Prometo ver la alegría, escarmentar de la experiencia

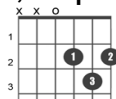

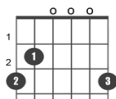

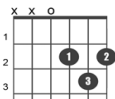

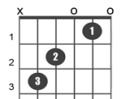

Pero nunca, nunca más usar la violencia

Aquí seguimos los acordes (SOL - DO - RE - SOL)

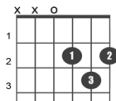

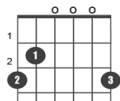

**REPETIR EL ESTRIBILLO**

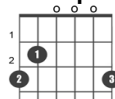

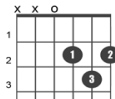

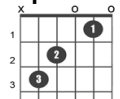

Si pudiera sembrar los campos que arrasé, si pudiera devolver la paz que quité

No dudaría, no dudaría en volver a reír

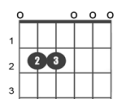

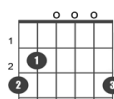

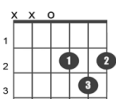

Si pudiera olvidar aquel llanto que oí, si pudiera lograr apartarlo de mí

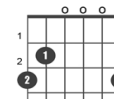

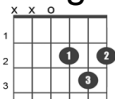

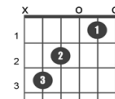

No dudaría, no dudaría en volver a reír

**ESTRIBILLO:**

Prometo ver la alegría, escarmentar de la experiencia

Pero nunca, nunca más usar la violencia

**REPETIR EL ESTRIBILLO**
